

Summit County, Utah Republican Party

Dear Friend,

I want to begin by thanking you for all your past service. You have been with us whenever we've reached out, whether it was making signs, marching in parades, making donations, volunteering and attending our events. These are trying times and we really appreciate you standing behind us.

We also want to thank Michael Smith for his service as Summit County Chairman. He moved from Summit County and submitted his resignation to the Board on November 12th. He has always given generously of his time and we wish him well.

My name is Karen Ballash and as you may remember, I was elected vice-chair last March. I am now Chair of the Summit County Republican Party and will be looking forward to getting to know each of you. We will be hosting our Lincoln Day Luncheon on Lincoln's 212th Birthday. That's Feb 12, 2022 at Ledges, 202 East Park Road, Coalville, from 12-2 p.m. You and your friends are all invited, so please save the date.

I have a great team of Regional Chairs: Len Starbeck, Jimmy May, Jerry Heck and Dawn Langston. Together, we are responsible for organizing and running the Caucus, but we can't do it alone. **We are asking if you will do us one more service and host your precinct's caucus?** The date is March 8, 2022. We will provide training and any help you need. If you want to run for a precinct position, we'd welcome your participation, but we're also grateful for your presence and your vote. Respond to vice-chair@summitcountyutgop.org

We are trying to build the best County Central Committee in the State and have the goal of filling every precinct position, 314 in all. We want every voice in Summit County to be heard. This is the only way to effect change — one neighborhood at a time— right here in our own backyard. If you are worried about our nation, no one is coming to the rescue. Only you — you **are** the solution.

If your ambitions go even higher, or you know someone who would be perfect for the job, Summit County will be looking to replace: two County Council Members, the County Auditor, County Clerk, County Sheriff and 2 positions each on Park City, South Summit and North Summit School Boards.

If you want to make the Summit County GOP a driving force for change in our community, in our state and in our nation, then we have a common goal. Please join us. And please follow us on Facebook at Summit County Utah Republican Party.

Sincerely,

Karen Ballash
